## **DETAILED ACTION**

### ***Drawings***

1. The drawings were received on 11 June 2003. These drawings are approved.

### ***Response to Arguments***

2. Applicant's arguments of record, see paper 11, filed 23 April 2004, with respect to the amendments to claims 1 and 24 have been fully considered and are persuasive. The 102(b) rejection of claims 1 and 24 in paper 10 on 23 January 2004 has been withdrawn.

### ***Allowable Subject Matter***

3. Claims 1-2, 4-25, and 27-28 are allowed.
4. Claims 6-15 and 16-25 were previously allowed in paper 8 of record on September 8, 2003. The applicant cancels claim 3 and claim 26.
5. The following is an examiner's statement of reasons for allowance:

The applicants amendments of record to independent claim 1 and claim 24 including the arguments of record on pages 9-10 for the currently amended claims are consistent with the examiners reason of allowance of record as found in paper 10 filed 23 April 2004 and convinces the examiner that the independent claim limitations are allowable over the cited art of record.

It is these arguments of record and these limitations of record expressed in each independent claim and not found, taught, or suggested in the prior art of record, that makes these claims allowable over the prior art.

Claims 2, and 4-5, which are dependent on the allowed independent claim 1 are allowed at least for the reasons cited above.

Claims 25, and 27-28, which are dependent on the allowed independent claim 24 are allowed at least for the reasons cited above.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
